Тезисы докладов

ORGANIZED BY:

North-West Department of Russian Academy Of Medical Science
Institute for Experimental Medicine, Saint Petersburg, Russia
Max Plank Institute for Neurobiology, Munich, Germany
Research Institute for Influenza, Saint Petersburg, Russia
Dzhanelidze State Research Institute for Emergency Medical Care, Saint
Petersburg, Russia
Russian Society on Immunology
Regional Society on Neuroimmunology and Neuroimmunomodulation in Russia

SUPPORTED BY:

The Russian Foundation for Basic Research
“HELICON”
Molecular biology products and equipment
“LabTech Ltd.”
Medical and Laboratory Equipment Company
“GALA-TRADE”
Life science products
“POLISAN”
The Pharmaceutical Company
“Cytokines and Inflammation” Publishers Ltd.

The Organizing Committees are grateful for the financial contributions of
sponsors listed above.

This book of abstracts is a complete record of the presentations made at the
International Symposium “Interaction of the nervous and immune systems in
health and disease”, which was held in Saint Petersburg, Russia,
June 16 – June 19 2007.

The contents of the abstracts are the responsibility of their authors
