

Volume 15, Issue 3 supplement

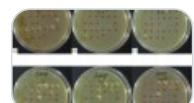

December 2025

16 articles in this issue

Genesis and Regulation of Biological Rhythms at Different Levels of Living Organization: Two Aspects of Their Description

OriginalPaper | 23 December 2025 | Pages: S199 - S206

Establishing a Collection of Bacteria That Mimic Human Infectious Agents in Order to Use Them for Developing Rapid Antibiotic Resistance Testing Methods

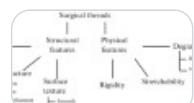

OriginalPaper | 23 December 2025 | Pages: S207 - S217

Prospects of Analysis and Methods of Determining NETosis in Neutrophils in Thermal Trauma: A Brief Review of the Literature

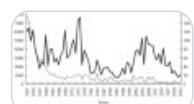

OriginalPaper | 23 December 2025 | Pages: S218 - S222

New Strategies for the Development of Biologically Active Suture Material

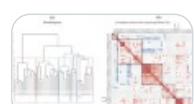

OriginalPaper | 23 December 2025 | Pages: S223 - S230

Rabies Infections in Animals and People in Russia: A Comparative Historical Analysis

OriginalPaper | 23 December 2025 | Pages: S231 - S249

Interrelations of Behavioral and Morphological Traits and Hair Cortisol Concentration in Goats (*Capra hircus*): Correlation and Regression Analysis

OriginalPaper | 23 December 2025 | Pages: S250 - S260

Determining Cortisol in Animal Hair as a Marker of Chronic Stress

OriginalPaper | 23 December 2025 | Pages: S261 - S281

Zebroid Cattle in the Russian Federation

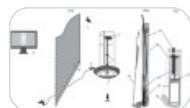

OriginalPaper | 23 December 2025 | Pages: S282 - S288

Population–Genetic Structure of the Askanian Karakul Breed of Sheep

OriginalPaper | 23 December 2025 | Pages: S289 - S296

New Experimental Environment for Assessing the Vertical Movement Capabilities of Wild Rodent Species

OriginalPaper | 23 December 2025 | Pages: S297 - S305

Transcriptome Study of Acclimating Ability of *Clarias gariepinus* to Low Temperature Conditions

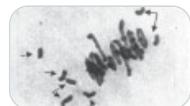

OriginalPaper | 23 December 2025 | Pages: S306 - S315

Harnessing the Gut Microbiota of Honeybees: Unlocking Microbial Insights for Sustainable Apiculture Practices

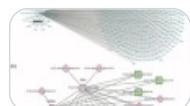

OriginalPaper | 31 October 2025 | Pages: S316 - S322

Formation Features of Interspecific Hybrids (*Triticum aestivum* L. × *Triticum durum* Desf.) with Different Ploidy Levels of Genotypes and the Causes of Asynaptic Meiosis in Individual Hybrid Combinations

OriginalPaper | 23 December 2025 | Pages: S333 - S340

Crosstalk between Amino Acid Catabolism and Stress Signaling in Potato (*Solanum tuberosum*) under Drought Stress Conditions

OriginalPaper | 31 October 2025 | Pages: S341 - S349

First Report of *Pseudolaccaria pachyphylla* from Pakistan Based on Morphological and Molecular Phylogenetic Studies

OriginalPaper | 31 October 2025 | Pages: S350 - S354

New Species and New Record of Cortinariaceae (*Cortinarius*, *Phlegmacium*) from Pakistan

OriginalPaper | 31 October 2025 | Pages: S355 - S367
