

Volume 53, Issue 1  
February 2026

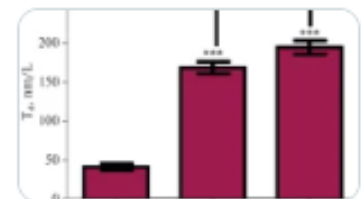

RESEARCH GROUP OF COMPANIES  
Germany **SPRINGER NATURE**

32 articles in this issue

### **Effect of Hyperthyroidism Induction on Zinc and Copper Levels of Seminal Plasma in Rats**

Namdar Yousofvand, Zahra Salimi ... Fatemeh Zarei

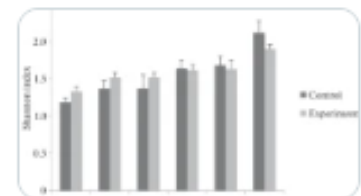

OriginalPaper | 28 April 2026 | Article: 33

### **Comparison of Gut Microbiota and Toll-Like Receptor 2 and 4 (TLR2/4) Gene Expression in Young Adult Mice Conceived by Natural Pregnancy or Assisted Reproductive Technologies (ART)**

H. Ünsal, G. Doğan ... L. Karagenc

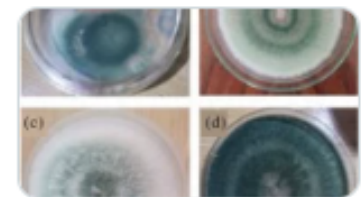

OriginalPaper | 28 April 2026 | Article: 32

### **An In Vitro Evaluation of *Trichoderma harzianum* as a Biocontrol Agent for Managing Fungal Diseases in *Rosa grandiflora***

Syed Amjad Bilal, Khan Sher ... Rashid Iqbal

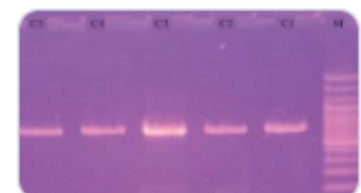

OriginalPaper | 28 April 2026 | Article: 31

### **Sequence Analysis and Genetic Diversity of *ndhF* of the Chloroplast DNA (cpDNA) of *Chrysophthalmum* (Asteraceae) Species in Türkiye**

Emre Sevindik, Seda Nur Gelir ... Mehmet Yavuz Paksoy

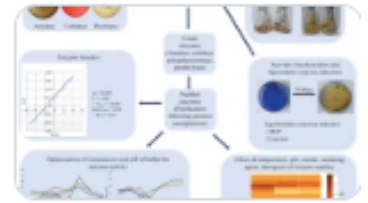

OriginalPaper | 28 April 2026 | Article: 30

## **Characterization of Plant-Cell-Wall-Degrading Enzymes of *Pleurotus ostreatus* and Their Potential Industrial Relevance in Agricultural Waste Valorization and Azo Dye Decolourization**

Rituparna Sarkar & Bejoysekhar Datta

OriginalPaper | 28 April 2026 | Article: 29

## **Effects of Incubation Conditions on Biochemical Profiles and Protease Activities of Three *Artemia* Groups**

Mehmet Naz

OriginalPaper | 28 April 2026 | Article: 27

## **Antimicrobial, Antioxidant Activities and Compounds Identification of *Parmotrema rampoddense* (Nyl.) Hale**

Praphool Kumar, Sanjeeva Nayaka ... Tuhina Verma

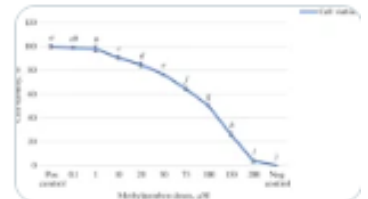

OriginalPaper | 28 April 2026 | Article: 26

## **Cytotoxic and Genotoxic Assessment of Methylparaben on Vero Cell Line**

Fiza Munir, Muhammad Muddassir Ali ... Asad Ullah

OriginalPaper | 28 April 2026 | Article: 25

## **Ecological Insights into Honey Bees of Southeast Vietnam: Species, Distribution, and Floral Relationships**

Tho V. Le, Son V. Dang ... Luu T. Pham

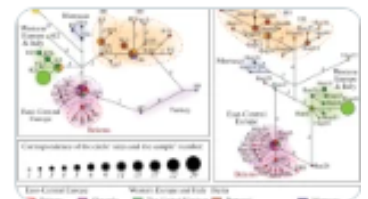

OriginalPaper | 28 April 2026 | Article: 24

## **Novel Helminth Findings from the Western Barbastelle (Chiroptera: Vespertilionidae) in Belarus with the First Data on Its Intraspecific Variability**

A. Larchanka, U. Gorobeyko & L. Akimova

OriginalPaper | 28 April 2026 | Article: 23

## **Evaluation of the Protective Activity of Trolox in the Process of Cryopreservation of Sturgeon Sperm**

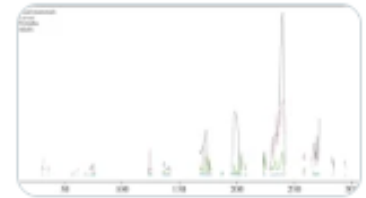

A. D. Kolumbet, M. A. Polovinkina ... E. N. Ponomareva

OriginalPaper | 28 April 2026 | Article: 22

## **Abundance of *Ixodes trianguliceps* (Acari, Ixodidae) in the Mid-Boreal Subzone of Karelia (Russia)**

L. A. Bespyatova, A. V. Korosov ... S. V. Bugmyrin

OriginalPaper | 28 April 2026 | Article: 21

## **Molecular Genetic Methods in Studying of the Food Spectrum of Godlewski's Sculpin *Abyssocottus (Limnocottus) godlewskii* (Dybowski, 1874)**

E. V. Dzyuba, B. E. Bogdanov ... N. N. Denikina

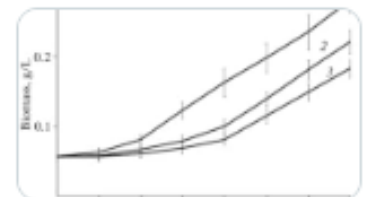

OriginalPaper | 03 April 2026 | Article: 20

## **Cellular Responses and Biodegradation of Long-Chain Alkylphenols by Cyanobacteria *Aphanizomenon flos-aquae***

T. B. Zaytseva, A. D. Russu ... N. G. Medvedeva

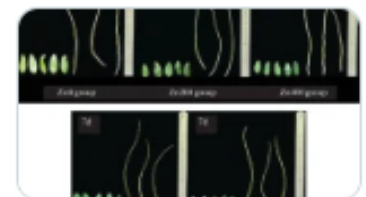

OriginalPaper | 03 April 2026 | Article: 19

## **Investigating the Response Patterns of *Dendrobium officinale* Physiology and Secondary Metabolite Accumulation to Zinc Exposure**

Yumeng Wu, Yijun Fan ... Aoxue Luo

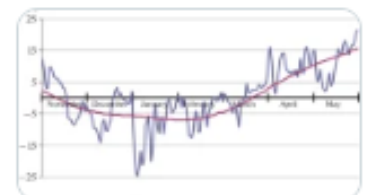

OriginalPaper | 03 April 2026 | Article: 18

## **Composition and Dynamics of Reserve Substances and Secondary Metabolites in Wintering Buds of Introduced and Native Representatives of the Genus *Acer***

T. V. Voronkova, V. V. Kondrat'eva ... M. V. Semenova

OriginalPaper | 03 April 2026 | Article: 17

## **Molecular Characterization of Some Black Cumin Populations of Cultivating in Türkiye by ISSR Markers**

Hüseyin Uysal

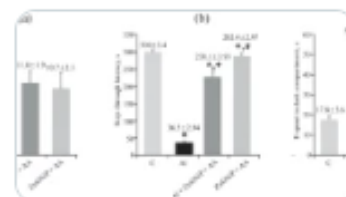

OriginalPaper | 03 April 2026 | Article: 16

## **Co-Administration of ZnO Nanoparticles and Ascorbic Acid Mitigates Oxidative Stress and Improves Long Term Memory in Aluminum-Induced Alzheimer's Disease Like Dementia**

Ş. Uçarcan & V. Kılıç

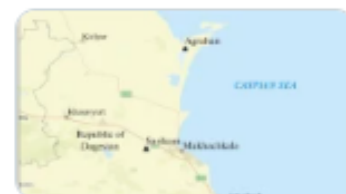

OriginalPaper | 03 April 2026 | Article: 15

## **Genetic Diversity of *Mus macedonicus* (Rodentia, Muridae) Based on Cytochrome *b* in the Eastern Caucasus**

E. A. Kuchinova, F. A. Tembotova ... E. P. Kononenko

OriginalPaper | 03 April 2026 | Article: 14

## **The Species Problem in Biology Is More Relevant Today Than Ever Before**

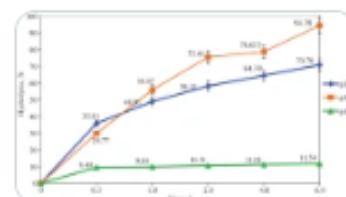

I. Ya. Pavlinov

OriginalPaper | 03 April 2026 | Article: 13

## **Evaluation of Prebiotic Potential of Curdlan Gum Produced by Marine Bacteria, *Enterobacter cloacae* RSW2n**

Ezhilarasi Pandi, Anchana Reghu ... Vanavil Balakrishnan

OriginalPaper | 03 April 2026 | Article: 12

## **The Territorial Structure of the Population of Wild Forest Reindeer (*Rangifer tarandus fennicus*) in the Republic of Karelia (Northwest Russia)**

D. V. Panchenko, Yu. A. Krasovsky & K. F. Tirronen

OriginalPaper | 03 April 2026 | Article: 11

## **Erratum to: Cloning and Expression Studies of the *Pitx1* Gene from *Pampus argenteus* Following siRNA Interference**

Yushan Ou, Shun Zhang ... Daojun Tang

Erratum | 07 April 2026 | Article: 10

## **Stranding Observation and Literature Analysis (1800–2025) Reveal Decline of Threatened Finless Porpoise (*Neophocaena phocaenoides* Cuvier 1829) along the Tropical Coasts of India**

R. Murugan, K. Balachandar ... G. Preethi

OriginalPaper | 03 April 2026 | Article: 9

## **Patterns of Alpha and Beta Diversity in Freshwater Fish Communities in Wetlands of Assam, Northeast India**

Violina Hazarika & Narayan Sharma

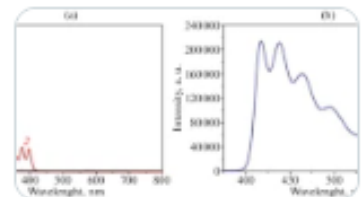

OriginalPaper | 03 April 2026 | Article: 8

## **Light Conversion Film Based on Poly(methyl acrylate) Containing 9,10-Diphenylanthracene for Greenhouse Applications**

B. M. Gareev, G. L. Sharipov & O. V. Lastochkina

OriginalPaper | 03 April 2026 | Article: 7

## **Palynological Investigations and Taxonomic Significance of Selected Asteraceous Melliferous Taxa of Southern Pakistan**

Faten Zubair Filimban, Ateef Ullah ... Muhammad Mahran Aslam

OriginalPaper | 03 April 2026 | Article: 6

## **Scutellaria lateriflora: The Polyphenolic Segment of the Metabolome of Aerial Organs**

Yu. N. Elkin & A. Yu. Manyakhin

OriginalPaper | 03 April 2026 | Article: 5
