**BOTANICHESKII
ZHURNAL**

Volume 109

№ 11

MOSCOW 2024

Founders:

RUSSIAN ACADEMY OF SCIENCES
BRANCH OF BIOLOGICAL SCIENCES RAS
RUSSIAN BOTANICAL SOCIETY
BOTANICHESKII ZHURNAL

Periodicity 12 issues a year
Founded in December 1916

Journal is published the algis of the Branch of Biological Sciences RAS

Editor-in-Chief

L. V. Averyanov, Doctor of Sciences (Biology)

EDITORIAL BOARD

O. M. Afonina (Deputy Editor-in-Chief, Doctor of Sciences (Biology), St. Petersburg, Russia),
I. N. Safronova (Deputy Editor-in-Chief, Doctor of Sciences (Biology), St. Petersburg, Russia),
I. I. Shamrov (Deputy Editor-in-Chief, Doctor of Sciences (Biology), St. Petersburg, Russia),
A. K. Sytin (Deputy Editor-in-Chief, Doctor of Sciences (Biology), St. Petersburg, Russia),
D. S. Kessel (Executive Secretary, St. Petersburg, Russia),
N. V. Bityukova (Secretary, St. Petersburg, Russia),
O. G. Baranova (Doctor of Sciences (Biology), St. Petersburg, Russia),
S. Volis (PhD, Kunming, China),
A. V. Herman (Doctor of Sciences (Geology and Mineralogy), Moscow, Russia),
T. E. Darbayeva (Doctor of Sciences (Biology), Uralsk, Kazakhstan),
L. A. Dimeyeva (Doctor of Sciences (Biology), Almaty, Kazakhstan),
M. L. Kuzmina (PhD, Guelph, Canada),
M. S. Kulikovskiy (Doctor of Sciences (Biology), Moscow, Russia),
M. V. Markov (Doctor of Sciences (Biology), Moscow, Russia),
T. A. Mikhaylova (Candidate of Sciences (Biology), St. Petersburg, Russia),
A. A. Oskolski (Doctor of Sciences (Biology), St. Petersburg, Russia; Johannesburg, RSA),
Z. Palice (PhD., Prùhonice, Czech Republic),
A. A. Pautov (Doctor of Sciences (Biology), St. Petersburg, Russia),
M. G. Pimenov (Doctor of Sciences (Biology), Moscow, Russia),
R. E. Romanov (Candidate of Sciences (Biology), St. Petersburg, Russia),
A. N. Sennikov (Candidate of Sciences (Biology), Helsinki, Finland),
D. D. Sokoloff (Doctor of Sciences (Biology), Moscow, Russia),
I. V. Sokolova (Candidate of Sciences (Biology), St. Petersburg, Russia),
M. J. Tikhodeeva (Candidate of Sciences (Biology), St. Petersburg, Russia),
A. C. Timonin (Doctor of Sciences (Biology), Moscow, Russia),
V. S. Shneyer (Doctor of Sciences (Biology), St. Petersburg, Russia)

СОДЕРЖАНИЕ

Том 109, номер 11, 2024

СООБЩЕНИЯ

- Бриофлора техногенных ландшафтов Подмосковского буроугольного бассейна
Н. Н. Попова 1079
- Сообщества широколиственно-кедровых папоротниково-осоково-хлорантовых лесов на территории Сихотэ-Алиня
Т. А. Комарова, Н. В. Терёхина, С. Г. Глушко, Н. Б. Прохоренко 1104
- Ботанико-географическое своеобразие урочища “Устье реки Тонель” (охранная зона Путоранского заповедника)
Е. Б. Поспелова, И. Н. Поспелов 1121
- Биоклиматическое моделирование высотно-поясной структуры растительного покрова Алтае-Саянского оробиома
М. В. Бочарников 1134
-

ФЛОРИСТИЧЕСКИЕ НАХОДКИ

- Cystocoleaceae (Mycosphaerellales, Lichen-Forming Ascomycota) – новое семейство для лишенофлоры Кавказа
И. Н. Урбанавичене, Г. П. Урбанавичюс 1163
- Asclepias syriaca* (Аросупасеае) – новый вид для флоры Дагестана
З. М. Асадулаев, З. И. Абдурахманова 1167
-

РЕЦЕНЗИЯ

- Рецензия. Ачимова А. Растительная пища алтайцев. Издание второе, дополненное и исправленное. Горно-Алтайск: Литературно-издательский Дом “Алтын-Туу”, 2023. 152 с., 101 цв. илл., тир. 300 экз. ISBN 978-5-6048868-5-4. Ачимова А.А. Растительная пища алтайцев. Барнаул: Арусвати, 2020. 132 с., 12 цв. илл., тир. 150 экз. ISBN 978-5-6040527-5-4

CONTENTS

Vol. 109, number 11, 2024

COMMUNICATIONS

- Bryoflora of technogenic landscapes of the Podmoskovye Brown Coal Basin
N. N. Popova 1079
- Broad-leaved-korean pine fern-sedge-chlorantus forest communities in Sikhote-Alin
T. A. Komarova, N. V. Terekhina, S. G. Glushko, N. B. Prokhorenko 1104
- Botanical-geographical peculiarity of the tract “Tonel River Mouth” (protection zone of the Putorana Reserve)
E. B. Pospelova, I. N. Pospelov 1121
- Bioclimatic modeling of altitudinal structure of vegetation cover in Altai-Sayan orobiome
M. V. Bocharnikov 1134
-

FLORISTIC RECORDS

- Cystocoleaceae (Mycosphaerellales, Lichen-Forming Ascomycota), a new family to the lichen flora of Caucasus
I. N. Urbanavichene, G. P. Urbanavichus 1163
- Asclepias syriaca* (Apocynaceae), a new species to the flora of Dagestan
Z. M. Asadulaev, Z. I. Abdurakhmanova 1167
-

REVIEW

- A review. Achimova A. Plant food of the Altai people. 2nd ed., augmented and corrected. Gorno-Altaysk: Literary Publishing House “Altyn-Tuu”, 2023. 152 p., 101 color figs., 300 copies.
Achimova A.A. Plant food of the Altai people. Barnaul: Arusvati, 2020. 132 p., 12 color figs., 150 copies
