

12 articles in this issue

Telocytes, the New Kids on the Block. What Role do They Play in Female Reproductive System and Function? (A Review)

REVIEW PAPER | 30 September 2025 | Pages: 495 - 503

JAK2 Inhibitors as the Elixir for Humans: A Truth or Myth (A Review)

REVIEW PAPER | 04 September 2025 | Pages: 504 - 524

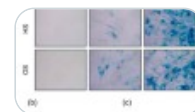

Etiological, Epidemiological, and Medical-Economic Aspects of Hepatocellular Carcinoma (A Review)

REVIEW PAPER | 30 September 2025 | Pages: 525 - 533

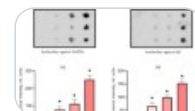

Replicative Aging of Human DF-2 Fibroblasts is Accompanied by the Development of Reprogramming Autophagy

RESEARCH PAPER | 30 September 2025 | Pages: 534 - 542

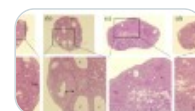

The Role of the Glyceraldehyde-3-phosphate Dehydrogenase and β -Amyloid Complex in the Activation of the Cellular Chaperone System

RESEARCH PAPER | 30 September 2025 | Pages: 543 - 549

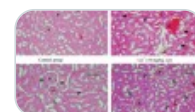

Empagliflozin Improves Follicular Development by Attenuating Oxidative Stress and Inflammation in a Mouse Model of Polycystic Ovary Syndrome

RESEARCH PAPER | 30 September 2025 | Pages: 550 - 558

Examining the Histological and Stereological Alterations, Along with Oxidative Stress Markers, in the Kidney Tissues of Male Rats Subjected to Copper Sulfate Toxicity and Treated with Ascorbic Acid

RESEARCH PAPER | 30 September 2025 | Pages: 559 - 567

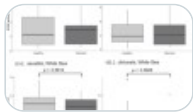

Antiviral Properties of Composition Preparations of Double-Stranded RNA and Human Interferon alpha-2b

RESEARCH PAPER | 30 September 2025 | Pages: 568 - 576

Species-Specific Neurochemical Responses to Trematode Infection in Intertidal Molluscs *Littorina Saxatilis* and *Littorina Obtusata*: Monoamine Content and Acetylcholinesterase Activity

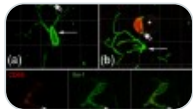

RESEARCH PAPER | 30 September 2025 | Pages: 577 - 589

Dual-Probe FISH on Butterfly Chromosomes: Step-By-Step Technique

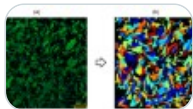

RESEARCH PAPER | 30 September 2025 | Pages: 590 - 596

Microglia Immunophenotyping in Paraffin Sections of the Brain

RESEARCH PAPER | 30 September 2025 | Pages: 597 - 604

Using CellProfiler and Imgaej for Analyzing the Cytoskeleton of Multipotent Mesenchymal Stromal Cells

RESEARCH PAPER | 30 September 2025 | Pages: 605 - 613
