

Volume 18, Issue 2

April 2025

10 articles in this issue

Mechanisms of Diversification during Changes in Habitat in the Three-Spine Stickleback (*Gasterosteus aculeatus*) Are Fundamentally Different from the Mechanisms of Speciation within the Genus *Gasterosteus*

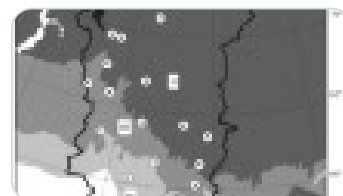

A. A. MakhrovN. V. BardukovV. S. Artamonova

OriginalPaper | 12 May 2025 | Pages: 151 - 159

Long-Term Dynamics of Soil Temperature Regime along the Latitude Gradient in the Permafrost Zone of Central Siberia

T. V. PonomarevaP. D. TretyakovE. I. Ponomarev

OriginalPaper | 12 May 2025 | Pages: 160 - 170

Ecological and Geographical Structure and Dynamics of the Autumn Migration of Passerine Birds on the Putorana Plateau

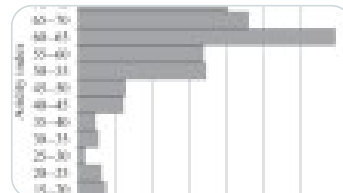

A. A. Romanov

OriginalPaper | 12 May 2025 | Pages: 171 - 183

Leading Plant Families in Grasslands of Inner Asia Along the Aridity Gradient

A. Yu. KorolyukI. S. ChupinaLi Yaoming

OriginalPaper | 12 May 2025 | Pages: 184 - 193

Impact of 2021 Forest Fires on Ground Cover Vegetation in Lena-Vilyui Interfluve Forests

M. Ch. NikolaevaR. V. Desyatkin

OriginalPaper | 12 May 2025 | Pages: 194 - 206

Chestnut Soils of the Southern Steppes of Western Transbaikalia: Bioproductivity, C-Biomass, and Humic Acids

E. O. ChimitdorzhievaTs. D-Ts. KorsunovaE. V. Tsybikova

OriginalPaper | 12 May 2025 | Pages: 207 - 214

Influence of Ericaceae Shrubs on the Microbiological and Chemical Properties of Soils of the Alpine Heath of the Caucasus and Mountain Tundra Grassland of the Khibiny Mountains

A. V. YakushevV. O. LifanovaV. G. Onipchenko

OriginalPaper | 12 May 2025 | Pages: 215 - 235

Parameters of Daurian Pika (*Ochotona dauurica*) Habitats in Southwestern Transbaikalia

N. G. BorisovaA. I. StarkovM. A. Erbajeva

OriginalPaper | 12 May 2025 | Pages: 236 - 247

Feeding Ecology of the Glaucous Gull and Vega Gull Sympatrically Breeding in Western Chukotka

L. A. ZelenskayaO. D. Prokopenko

OriginalPaper | 12 May 2025 | Pages: 248 - 265

Influence of Municipal Wastewaters on the Zooplankton Communities of a Small River from the Industrial Zone of the Middle Volga Region Based on the Results of Long-Term Observations

T. A. KondratievaN. J. StepanovaL. B. Nazarova

OriginalPaper | 12 May 2025 | Pages: 266 - 277
