

11 articles in this issue

**Expression of *Hox* Genes in Early Development of Irregular Sea Urchin *Scaphechinus mirabilis* (Echinodermata, Echinoidea)**

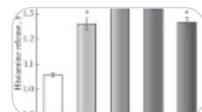

OriginalPaper | Open access | 02 December 2025 | Pages: 341 - 345

**The Effect of Early Stress on *Drosophila melanogaster* Development and Fertility**

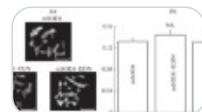

OriginalPaper | 02 December 2025 | Pages: 346 - 349

**Dual Effects of Acetylcholine on Mast Cell–Nerve Interactions**

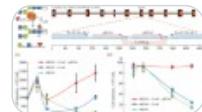

OriginalPaper | 02 December 2025 | Pages: 350 - 353

**Synaptic Vesicle Exocytosis and Endocytosis in Motor Nerve Endings of Transgenic Mice Modeling Amyotrophic Lateral Sclerosis upon Antioxidant Treatment and Gene-Cell Therapy**

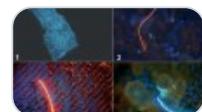

OriginalPaper | 02 December 2025 | Pages: 354 - 358

**Generation of Long-Lived CHO Cells Suitable for Production of Afucosylated Antibodies and Fc-Fusion Proteins**

OriginalPaper | 02 December 2025 | Pages: 359 - 367

**Microplastics in the Gastrointestinal Tracts of Striped Field Mice (*Apodemus agrarius* Pallas, 1771) from Moscow Parks**

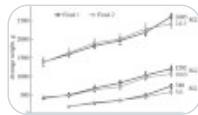

OriginalPaper | 12 January 2026 | Pages: 368 - 371

**A New Late Pleistocene Avifauna from Yakutia (Eastern Siberia)**

OriginalPaper | 12 January 2026 | Pages: 372 - 378

## **Myogenesis-Related Gene Expression in Rainbow Trout *Oncorhynchus mykiss* Walb. in Response to Feeding with Commercial Feeds Differing in Composition**

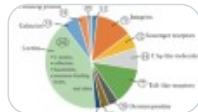

OriginalPaper | 12 January 2026 | Pages: 379 - 386

## **Features of the Relationship between *Myxobolus pronini* Liu et al., 2016 (Cnidaria: Myxozoa) and the Prussian Carp *Carassius auratus gibelio***

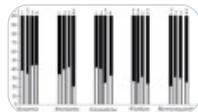

OriginalPaper | 12 January 2026 | Pages: 387 - 389

## Diversity of Toll-like Receptor Gene Transcripts in Hemocytes of *Planorbarius corneus* Mollusks (Gastropoda, Pulmonata) Uninfected and Infected with *Bilharziella polonica*

OriginalPaper | 12 January 2026 | Pages: 390 - 396

## **Effect of Cestodes Parasitizing the Small Intestine on Host Protease Activities in Herring Gull Chicks**

OriginalPaper | 12 January 2026 | Pages: 397 - 404
