4 articles in this issue

A Phase-Change Material with Enhanced Thermal Conductivity

OriginalPaper | 13 October 2025 | Pages: 73 - 77

Analysis of the Viscous Dissipation and Nonlinear Velocity Slip Effect on the Thin Film Nanofluid Flow

OriginalPaper | 12 December 2025 | Pages: 78 - 91

An Optimized Deep Learning Framework for Turbulence Modeling

OriginalPaper | 12 December 2025 | Pages: 92 - 100

Erratum to: Interface Trap-Induced Impact in Linearity and Small-Signal Performance of InAs-Channel TFETs: Reliability Implications

Erratum | 12 January 2026 | Pages: 101 - 101
