Barrick, Newmont Merger Talks Flare, Then Fizzle **5**

Rio Tinto Gifts Northern Dynasty Stake to Charities **6**

AROUND THE WORLD

U.S. & Canada: Allied Nevada Targets 450K oz/y of Gold by 2018..... **8**

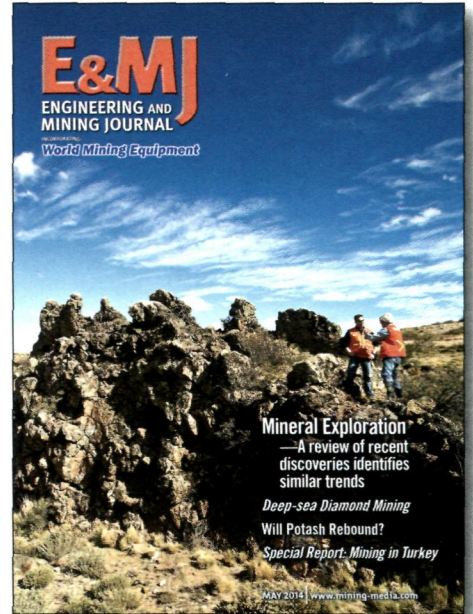

Latin America: Goldcorp Suspends Operations at Los Filos **14**

Australia/Oceania: Fortescue Reaches Targeted 155M-ty Iron-ore Production Capacity **16**

Africa: Tasiast Expansion Study Targets 848K oz/y Gold Production **18**

Asia: Kazakhmys Adding to its Project Pipeline..... **20**

Exploration Roundup: Fission Reports More Positive Intercepts at Patterson Lake South..... **22**

This month, E&MJ focuses on mineral exploration. Two articles provide in-depth coverage on the best in the business from the Prospectors & Developers Association of Canada's annual convention, which was held March 3-5, in Toronto. On the cover, exploration geologists evaluate a rock formation at the Cerro Negro project in Argentina (photo courtesy of Goldcorp).
