

Volume 58, Issue 3

March 2025

12 articles in this issue

Experiment on Artificial Incubation of Thawed Peat in Permafrost Bogs

A. V. PastukhovD. A. Kaverin

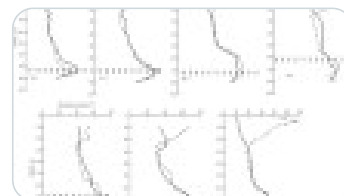

GENESIS AND GEOGRAPHY OF SOILS | 23 March 2025 | Article: 43

Cryogenic Impact on the Formation of Permafrost-Affected Loamy Tundra Soils at Different Stages of Development

S. V. Gubin

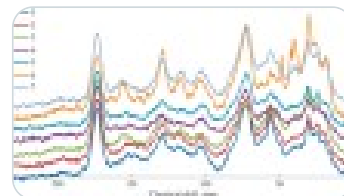

GENESIS AND GEOGRAPHY OF SOILS | 23 March 2025 | Article: 42

Structural and Functional Parameters of Humic Acids in Soils on Carbonate Rocks of the Polar Urals

R. S. VasilevichM. A. KorolevE. V. Zhangurov

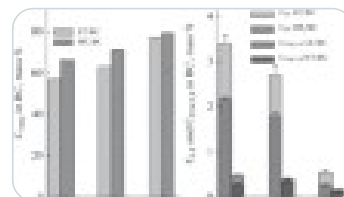

SOIL CHEMISTRY | 20 March 2025 | Article: 41

Assessment of the Possibility of Soil Contamination with By-Products of Pyrolysis upon Application of Biochars

E. V. SmirnovaK. G. GiniyatullinR. V. Okunev

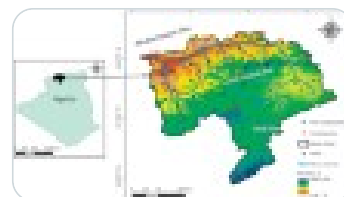

DEGRADATION, REHABILITATION, AND CONSERVATION OF SOILS | 20 March 2025 | Article: 40

Water Erosion Susceptibility Assessment Using RUSLE, AHP and ANN: A Comparative Study in the Cheliff Basin—Algeria

Z. MaroufO. DerdousS. E. Tachi

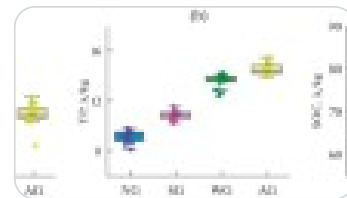

SOIL EROSION | 20 March 2025 | Article: 39

Responses of Soil Microorganisms to Vegetation and Soil under Different Grazing Practices

Minxia LiuKe XiXin Zhang

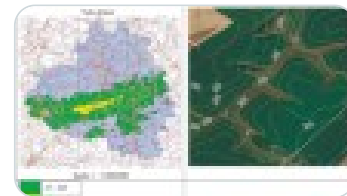

SOIL BIOLOGY | 20 March 2025 | Article: 38

Migration of ¹³⁷Cs in Soils of Erosional Agricultural Landscapes in the Northern Part of the Forest-Steppe Zone

V. K. KuznetsovN. I. SanzharovaE. O. Krechetnikova

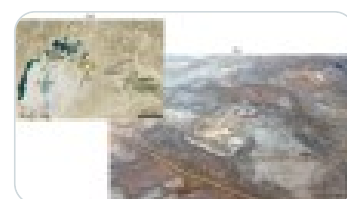

DEGRADATION, REHABILITATION, AND CONSERVATION OF SOILS | 20 March 2025 | Article: 37

Micromorphological Features and Formation of the Cultural Layer in the Early Medieval Town of Dzhankent (Eastern Aral Sea Region, Kazakhstan)

J. O. KarpovaM. A. BronnikovaH. Härke

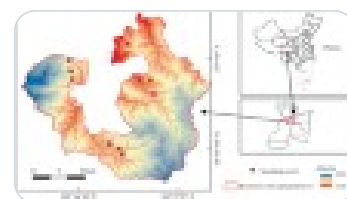

MINERALOGY AND MICROMORPHOLOGY OF SOILS | 20 March 2025 | Article: 36

Distribution and Stoichiometric Characteristics of Soil Carbon and Nitrogen Stocks in Forest Soils at Different Elevations in Liziping, Sichuan, China

H. TanY. F. TuoX. H. He

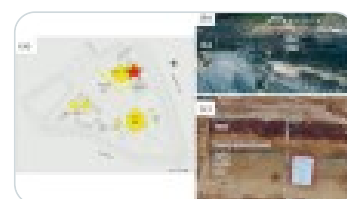

SOIL CHEMISTRY | 20 March 2025 | Article: 35

Buried Arable Soils and Cultural Layers of Ancient Yaroslavl as a Record of Natural and Anthropogenic Processes

A. A. GolyevaO. S. KhokhlovaA. V. Engovatova

GENESIS AND GEOGRAPHY OF SOILS | 20 March 2025 | Article: 34

Variation in Soil Physico-Chemical Properties Driven by Land Use Change in Acidic Soils of Southern Ethiopia

M. AdamuM. HaileK. Teka

DEGRADATION, REHABILITATION, AND CONSERVATION OF SOILS | 20 March 2025 | Article: 33

Impact of Soil Particle Size on Soil Moisture Measurements through Dielectric and Electrical Resistance Properties

Q. AbdelalM. R. Al-KilaniG. Al-Shishani

SOIL PHYSICS | 20 March 2025 | Article: 32
