

Volume 58, Issue 5

May 2025

17 articles in this issue

### **Estimation of Organic Carbon Stocks in the Urban Soils of the Rostov Agglomeration**

P. N. SkripnikovS. N. GorbovA. Yu. Matetskaya

**SOIL CHEMISTRY** | 01 June 2025 | Article: 71

### **Characterization and Classification of Soils under Organic Farming in Hisar, Haryana, India**

A. SinghNarenderS. Kumar

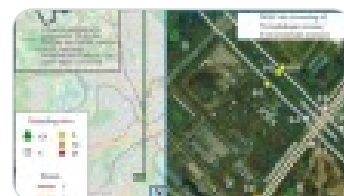

**AGRICULTURAL CHEMISTRY AND SOIL FERTILITY** | 01 June 2025 | Article: 70

### **Spatial-Temporal Differentiation of Organic Matter Biological Destruction Intensity in Urban Soils under the Impact of Motor Vehicles**

P. P. KrechetovO. V. ChernitsovaM. V. Sushentsova

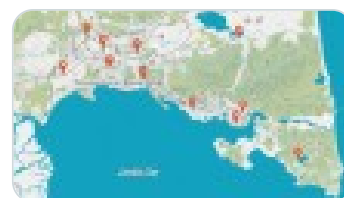

**DEGRADATION, REHABILITATION, AND CONSERVATION OF SOILS** | 01 June 2025 | Article: 69

### **Assessment of Chemical Pollution Level in Soils of Petropavlovsk-Kamchatsky**

N. A. Il'yushenkoD. O. MartynenkoA. V. Klimova

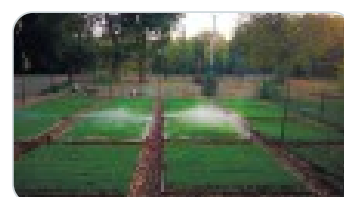

**DEGRADATION, REHABILITATION, AND CONSERVATION OF SOILS** | 01 June 2025 | Article: 68

### **Long-Term Dynamics of Carbon Emission in Artificial Soils under Urban Lawns in the Steppe Zone Conditions**

S. N. GorbovI. V. TerekhovV. I. Vasenev

**DEGRADATION, REHABILITATION, AND CONSERVATION OF SOILS** | 01 June 2025 | Article: 67

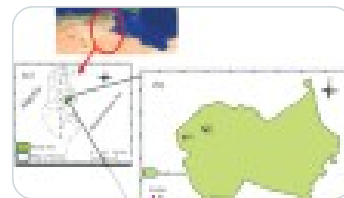

---

## **Long-Term Land Use Effects on Soil Quality and Organic Carbon Content in Calcaric Regosol Profiles of Arid Ecosystems**

F. BarakethH. Ben MbarekH. Rigane

**AGRICULTURAL CHEMISTRY AND SOIL FERTILITY** | 01 June 2025 | Article: 66

---

## **Enzyme Activity in Urban Soil Constructions in the Steppe Zone**

E. V. DadenkoS. N. GorbovP. N. Skripnikov

**SOIL BIOLOGY** | 01 June 2025 | Article: 65

---

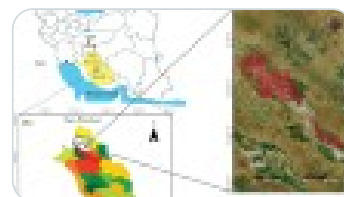

## **Machine Learning Approach for Soil Organic Carbon Prediction Using Auxiliary Environmental Variables in Agricultural Lands**

A. AzadiS. ShakeriM. R. Pahlavan Rad

**SOIL CHEMISTRY** | 01 June 2025 | Article: 64

---

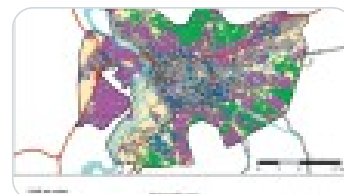

## **Levels, Sources and Hazard of Polycyclic Aromatic Hydrocarbons Accumulation in the Soil Cover of Ulan-Ude City**

N. B. ZhaxylykovN. E. Kosheleva

**DEGRADATION, REHABILITATION, AND CONSERVATION OF SOILS** | 30 April 2025 | Article: 63

---

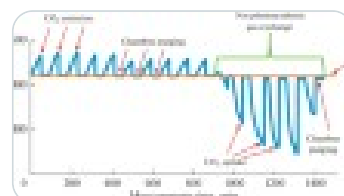

## **High-Frequency CO<sub>2</sub> Monitoring of the Soil and Vegetation Gas Exchange with the Atmosphere to Assess the Local Carbon Balance of a Green Infrastructure Element**

A. V. SmaginN. B. SadovnikovaE. A. Belyaeva

**SOIL PHYSICS** | 30 April 2025 | Article: 62

---

## **Carbon and Nitrogen Inputs from Litterfall to the Soils of Suburban Forests of Voronezh City**

S. S. SheshnitsanI. V. GolyadkinaA. A. Safonova

**SOIL CHEMISTRY** | 30 April 2025 | Article: 61

---

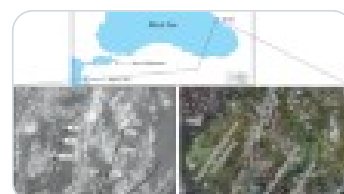

## **Transformation of Physicochemical Properties and CO<sub>2</sub> Emission from Urban Soils in the Mountainous Landscape of Sochi City**

E. V. RogozhinaL. V. Zakharikhina

**SOIL BIOLOGY** | 30 April 2025 | Article: 60

---

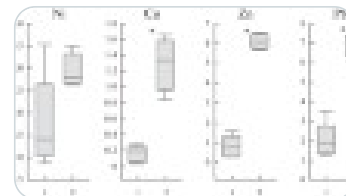

---

## **New Approaches for Assessing the Transformation of Soil Microbial Communities in the Soil Surface Horizons of Rostov-on-Don**

E. P. PulikovaF. D. IvanovT. M. Minkina

**SOIL BIOLOGY** | 30 April 2025 | Article: 59

---

## **Spatial Diversity of Microbiological and Agrochemical Properties of Soils in the Zonal Series of Analogue Landscapes of Zaryadye Park**

E. V. KozlovaM. V. KorneykovaI. I. Krokhmal

**SOIL BIOLOGY** | 30 April 2025 | Article: 58

---

## **Impacts of Urbanization on Humus Forms in Inner-City Forests of Natural Origin: A Case Study of Yekaterinburg**

I. N. KorkinaT. Yu. GabershteinE. L. Vorobeichik

**DEGRADATION, REHABILITATION, AND CONSERVATION OF SOILS** | 30 April 2025 | Article: 57

---

## **Ecotoxicological Assessment of Soils of the Russian Museum Gardens, St. Petersburg**

L. G. BakinaA. O. GerasimovA. V. Bryantsev

**DEGRADATION, REHABILITATION, AND CONSERVATION OF SOILS** | 30 April 2025 | Article: 56

---

## **Patterns of the Soil Cover Formation of the Yelaginoostrovskii Palace and Park Ensemble (St. Petersburg)**

K. A. BakhmatovaA. A. Sheshukova

**GENESIS AND GEOGRAPHY OF SOILS** | 30 April 2025 | Article: 55
