Age Frontiers of Tungsten-Bearing Magmatism in Central Asia: Results of Isotopic U–Pb (LA-ICP-MS) Zircon Dating of Rocks from the Intrusive Massifs in the Late Paleozoic Metallogenic Belt of the Tien Shan

S. G. Soloviev, N. S. Bortnikov ... Yu. A. Kalinin

OriginalPaper | 28 February 2026 | Pages: 1 – 27

A Tectonophysical Model of the Formation of the Fault Structure of the Nataalka Ore Field: Specialized Mapping Results

K. Zh. Seminsky, J. P. Burzunova ... S. A. Bornyakov

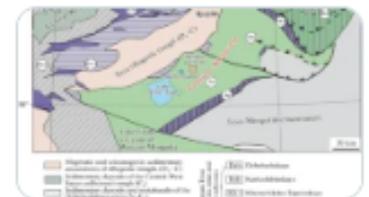

OriginalPaper | 28 February 2026 | Pages: 28 – 58

Au–Cu Porphyry Mineralization of the Despen Ore Field (Southern Tuva, Russia): Mineralogical and Geochemical Features, PT Parameters and Ore-Bearing Fluid Composition

R. V. Kuzhuget, N. N. Ankusheva ... Yu. V. Butanaev

OriginalPaper | 28 February 2026 | Pages: 59 – 82

Mineralogy and Genesis of Antimony Ores of the Iyul'skoe Group of Ore Occurrences in the Tyrgetui-Zhipkosh Area (Transbaikalia, Russia)

A. P. Kondrikova, A. V. Suchkov ... I. V. Vikentyev

OriginalPaper | 28 February 2026 | Pages: 83 – 96

Mineralogical and Petrographic Characterization of the Dlinnoe Copper–Nickel Ore Occurrence (Pai-Khoi, Nenets Autonomous District, Russia)

R. I. Shaibekov, N. S. Ulyasheva ... G. V. Ignatiev

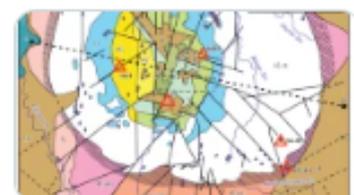

OriginalPaper | 28 February 2026 | Pages: 97 – 107

The Features and Genesis of Rock-Forming Minerals in Apatite–Magnetite Ores of the Tomtor Massif, Northern Siberia

L. N. Baranov & A. V. Tolstov

OriginalPaper | 28 February 2026 | Pages: 108 – 129

The Anna Gold–Sulfide Deposit— a New Industrial Facility Associated with Meta-Ultrabasic Sericite–Quartz Metasomatic Rocks (Middle Urals)

S. V. Pribavkin, A. V. Korovko & I. V. Smoleva

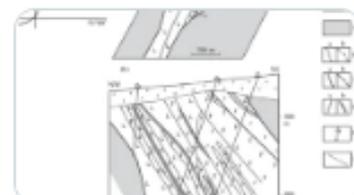

OriginalPaper | 28 February 2026 | Pages: 130 – 146

Mineralogy and P–T Conditions for the Formation of Metasomatic Rocks of the Voznesenskoe Gold Deposit (Southern Urals)

S. E. Znamensky

OriginalPaper | 28 February 2026 | Pages: 147 – 161

Mineralogical and Geochemical Peculiarities and Gold Content of Pyrite and Arsenopyrite of the Southern Ashaly Gold Deposit (East Kazakhstan)

E. D. Greku, Yu. A. Kalinin ... A. S. Gladkov

OriginalPaper | 28 February 2026 | Pages: 162 – 182
