TABLE OF CONTENTS Volume 25, Number 4, October 2014

From Politics to Protest

Ivan Krastev

5

The protests that have been erupting around the world may signal the twilight of both the idea of revolution and the notion of political reformism.

India's Watershed Vote

I. Behind Modi's Victory

Eswaran Sridharan

20

India's sixteenth general election ushered in a new era in the country's politics, putting Narendra Modi and the BJP firmly in charge. What accounts for the sharp swing away from the long-dominant Congress party?

II. Hindu Nationalism in Power?

Ashutosh Varshney

34

Will India under the BJP see a period of renewed communal violence, or will Hindu-nationalist politicians be reined in by constitutional constraints and their desire to stay in power?

III. What It Means for the Economy

Rajiv Kumar

46

Modi promised "good days" to aspiring young Indians, and they voted for him in droves. But he is off to a slow start in carrying out the economic reforms necessary to ensure that better days lie ahead.

IV. The Risks Ahead

Sumit Ganguly

56

Will the Modi government focus on the economy, or will it seek to implement a transformational Hindu-nationalist agenda?

Growth, Security, and Democracy in Africa

Richard Joseph

61

Democracy's fortunes rose in Africa in the 1990s, but more recently have been in retreat. The forces of democratic resurgence remain in play, however, as a look at the key case of Nigeria suggests.

Euroskepticism Arrives

I. Marginal No More

Liubomir Topaloff

76

The European Parliament elections of May 2014 were not an "earthquake," but they did signal that Euroskeptic parties are drawing closer to the European political mainstream.

II. The Missing Debate <i>João Carlos Espada</i>	88
Disagreements over how much power should reside in Brussels must be allowed to become a normal aspect of debates about European affairs.	
Indonesia's 2014 Elections	
I. Parliament and Patronage <i>Edward Aspinall</i>	96
Indonesia's 2014 legislative elections went smoothly. Yet the "money politics" that featured so heavily in these contests suggests a grave need to reform the country's electoral system.	
II. How Jokowi Won and Democracy Survived <i>Marcus Mietzner</i>	111
Indonesians came close to electing as their new president a populist challenger promising to restore the country's predemocratic order. Democracy prevailed in the end, but its continued vulnerability was exposed.	
External Influence and Democratization	
I. Gatekeepers and Linkages <i>Jakob Tolstrup</i>	126
Levitsky and Way's account of linkage and leverage leaves out the key role of "gatekeeper" elites.	
II. The Revenge of Geopolitics <i>Ghia Nodia</i>	139
Advancing the democratic cause is threatening to autocrats, and they will fight back.	
III. Structure vs. Choice <i>Steven Levitsky and Lucan Way</i>	151
Linkage and leverage largely reflect long-term structural factors, and only in certain situations can they be affected by policy choices.	
Manipulating Term Limits in Latin America <i>Javier Corrales and Michael Penfold</i>	157
More and more Latin American countries have sought to relax or even eliminate presidential term limits. What are the consequences for democracy?	
Books in Review	
Flirting with Disaster <i>Marc F. Plattner</i>	169
A review of <i>The Confidence Trap: A History of Democracy in Crisis from World War I to the Present</i> by David Runciman.	
Election Watch	177
Documents on Democracy	180
News and Notes	186
