Sulfur-Enhanced Fumarate Metabolism in *Sulfurospirillum tamanense*: Evidence for Cryptic Sulfur Cycling

A. A. Frolova, E. N. Frolov & A. I. Slobodkin

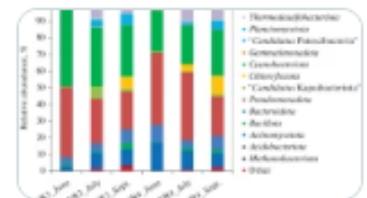

SHORT COMMUNICATIONS | 26 February 2026 | Pages: S1 – S5

Diversity and Functional Activity of the Microbial Community in Reservoirs Containing Radioactive Wastes

T. L. Babich, A. Y. Romanchuk ... T. N. Nazina

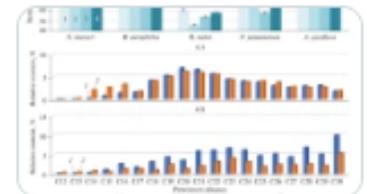

SHORT COMMUNICATIONS | 26 February 2026 | Pages: S6 – S10

Detection of Multidirectional Nature of Graphene Effect on the Metabolic Characteristics of Hydrocarbon-Oxidizing and Sulfate-Reducing Bacteria from Petroleum Reservoirs

T. L. Babich, K. B. Tereshkina ... N. G. Loiko

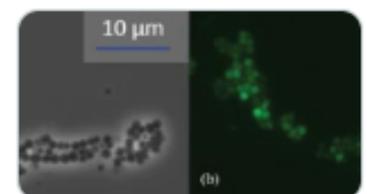

SHORT COMMUNICATIONS | 26 February 2026 | Pages: S11 – S15

Non-Attached Biofilm Aggregates in Planktonic Cultures of *Kocuria* spp.

M. V. Zhurina, E. M. Pleshko ... V. K. Plakunov

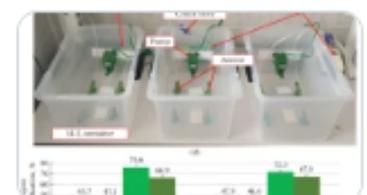

SHORT COMMUNICATIONS | 26 February 2026 | Pages: S16 – S20

Phenol Removal from Petroleum-Contaminated Wastewater Using *Alcaligenes faecalis*

N. G. Loiko, N. E. Filatov & Yu. V. Litt

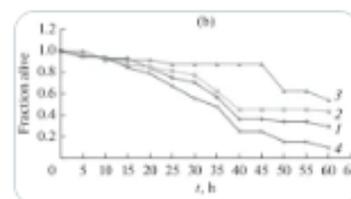

SHORT COMMUNICATIONS | 26 February 2026 | Pages: S21 – S25

Probiotic Potential of Bacteria Isolated from Buryat Sour Milk Drink Khurenge

Z. B. Namsaraev, M. Marsova ... A. Sazonov

SHORT COMMUNICATIONS | 26 February 2026 | Pages: S82 – S85

Obligate Methylophilic Bacteria from Cactus Fruits as Producers of Feed Protein

E. N. Kaparullina, N. V. Agafonova & N. V. Doronina

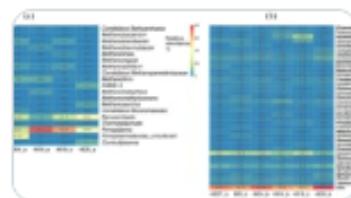

SHORT COMMUNICATIONS | 26 February 2026 | Pages: S86 – S89

Microbial Diversity of Reservoir Water from the Biklyanskoe Oil Field Used for CO₂ Sequestration

E. M. Semenova, D. S. Sokolova ... T. N. Nazina

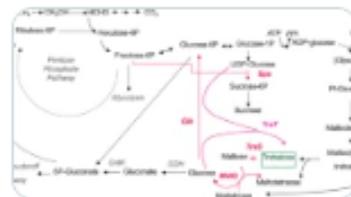

SHORT COMMUNICATIONS | 26 February 2026 | Pages: S90 – S96

Trehalose Synthesis by the Obligate Methanotroph Methylophilum alcaliphilum

V. N. Khmelenina, I. I. Mustakhimov ... O. N. Rozova

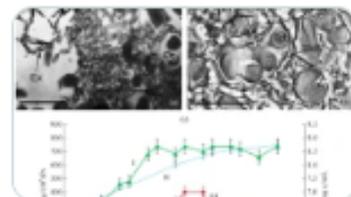

SHORT COMMUNICATIONS | 26 February 2026 | Pages: S97 – S100

Dynamics of Formation and Characteristics of Ultrastructural Organization of Bdelloplasts Conglomerates of Bacteria of the Genus Bdellovibrio

A. P. Shorokhova, V. N. Polivtseva ... N. E. Suzina

SHORT COMMUNICATIONS | 26 February 2026 | Pages: S101 – S106

Transformation of Polycyclic Aromatic Hydrocarbons by Bacteria of the Genus Azospirillum

A. Yu. Muratova, S. N. Golubev ... O. V. Turkovskaya

SHORT COMMUNICATIONS | 26 February 2026 | Pages: S107 – S111
