НАУЧНЫЕ И ТЕХНИЧЕСКИЕ БИБЛИОТЕКИ

2013

№ 8

СО Д Е Р Ж А Н И Е

**БИБЛИОТЕЧНО-ИНФОРМАЦИОННОЕ ОБСЛУЖИВАНИЕ:
ТЕОРИЯ И ПРАКТИКА**

- Протопопова Е. Н.** Опыт создания Центра поддержки технологий и инноваций в Брянской областной научной универсальной библиотеке им. Ф. И. Тютчева..... 5
- Печеная А. В.** Массовая работа современных университетских библиотек..... 9
- Валевич Е. А.** Деятельность публичных библиотек по информационной социализации пользователей..... 16

НИР В БИБЛИОТЕКАХ

- Павлова Л. П., Юдина И. Г.** Развитие научно-исследовательской работы в Отделении ГПНТБ СО РАН..... 24

ЭЛЕКТРОННЫЕ РЕСУРСЫ. ЭЛЕКТРОННЫЕ БИБЛИОТЕКИ

- Королёв Д. А., Булатов А. А., Комков Р. В.** Электронные образовательные ресурсы нового поколения..... 35
- Демидов Д. Д.** eLIBRARY.RU как источник отечественных электронных журналов по агроинженерии..... 39
- Земсков А. И.** Новые формы обработки электронных документов..... 44

ОБЗОРЫ. РЕЦЕНЗИИ

- Столяров Ю. Н.** МНИ, ДИП, УД и другие «находки» белорусского коллеги. (В защиту документоведения)..... 52

CONTENTS AND ABSTRACTS

LIBRARY AND INFORMATION SERVICES: THEORY AND PRACTICE

- Elena Protopopova.** The Experience of Designing the Center for Technologies and Innovation Support at F. I. Tyutchev Bryansk Regional Universal Scientific Library..... 5
The prerequisites for designing the Center for Technologies and Innovation Support at F. I. Tyutchev Bryansk Regional Universal Scientific Library and its operational experience are analyzed.
- Angela Pechenaya.** Community Activities at Modern University Libraries..... 9
The forms and methods of community activities at Sumy Regional Methodological Unit of University Libraries are analyzed.
- Elena Valevich.** The Public Libraries' Activities in Users' Information Socialization..... 16
The opportunities of libraries of the Republic of Belarus in users' information socialization at national and regional levels are analyzed. Its goals, directions and ways of realization at the country's public libraries are determined.

RESEARCH AT LIBRARIES

- Liya Pavlova and Inna Yudina.** Development of Research Activities at the State Public Scientific Technological Library of the Siberian Branch of the Russian Academy of Sciences Branch..... 24
The Library branch – is a complex structural unit of the Library performing functions of the central scientific library at Novosibirsk Scientific Center (Akademgorodok). The paper highlights the Library's research activities for 50 years.

ELECTRONIC RESOURCES. ELECTRONIC LIBRARIES

- Denis Korablev, Andrei Bulatov and Roman Komkov.** Electronic Educational Resources of New Generation..... 35
Electronic educational resources of new generation combine the advantages of interactive audiovisual content with opportunities of network distribution and application in the academic process. Solving the problem of creating networked educational resources of new generation with interactive multimedia content required designing a new system architecture, unifying the structure of electronic educational products and designing a single software environment – an open educational modular multimedia system.

Dmitry Demidov. eLIBRARY.ru as a Source of Domestic Electronic Journals in Agricultural Engineering.....	39
---	----

The possibilities of Scientific Electronic Library (e LIBRARY) as a source for obtaining domestic full-text electronic journals for developing a collection of information resources at the branch institute of information in agricultural engineering.

Andrei Zemskov. New Forms of Processing Electronic Documents	44
---	----

The review of recent library and information technologies highlighted in the papers presented at EMEA Regional Council OCLC (Febr. 26-27, 2013, Strasbourg, France), which the author has attended as well, is offered.

REVIEWS

Yuri Stolyarov. MNI, DIP, UD and Other «Disclosures» by the Byelorussian Colleague.....	52
--	----

The analysis of suggestions by Y. V. Nesterovich presented in the paper «On Terminological System and Basic Definitions of Documentation Science» is offered. Colleagues are warned of unreasonable use of abbreviations.
