

Volume 59, Issue 2

April 2025

11 articles in this issue

New Vendian Metazoa with Colonial Organization

E. A. Luzhnaya

OriginalPaper | 11 June 2025 | Pages: 113 - 118

A New Genus of *Streblopteria*-Like Bivalves from the Late Permian of the Balygychan Block (Northeast Russia)

A. S. Biakov

OriginalPaper | 11 June 2025 | Pages: 119 - 124

New Data on the Systematic Composition of Early Triassic Ammonoids from the *Shimanskyites shimanskyi* Zone of the Kamenushka River Basin, South Primorye, and Their Phylogenetic and Stratigraphic Significance

Y. D. ZakharovL. G. BondarenkoN. N. Barinov

OriginalPaper | 11 June 2025 | Pages: 125 - 149

A New Middle Ordovician Strophomenid Species (Brachiopoda, Strophomenata) from the Western Part of the Gorny Altai

T. A. ShcherbanenkoN. V. Sennikov

OriginalPaper | 11 June 2025 | Pages: 150 - 153

Use of Isotopic Analysis of Insect and Freshwater Crustacean Chitin from Quaternary Sediments for Reconstruction of Past Natural Environments

E. I. IzyumovaS. A. KuzminaA. A. Kotov

OriginalPaper | 11 June 2025 | Pages: 154 - 167

A New Species *Dunbaria elkunensis* sp. nov. (Insecta: Palaeodictyoptera: Spilapteridae) from the Middle Permian Golyusherma Locality, Udmurtia, Russia: the Youngest Known Spilapteridae

N. D. Sinitshenkova

OriginalPaper | 11 June 2025 | Pages: 168 - 174

New Early Frasnian Conodonts, *Icriodus aqua* sp. nov. and *I. lacrima* sp. nov. from the Ust'-Yarega Formation of Southern Timan, Russia

M. A. SobolevaV. M. Nazarova

OriginalPaper | 11 June 2025 | Pages: 175 - 184

First Find of *Discordichthys spinifer* A. Minikh in the Kazanian of the Udmurt Republic (Cis-Ural Region, Russia) and Stratigraphic Distribution of Discordichthyidae (Osteichthyes: Discordichthyiformes)

A. S. BakaevS. M. BazhenovA. S. Alalykin

OriginalPaper | 11 June 2025 | Pages: 185 - 190

Sea Turtles from the Upper Cretaceous of the Penza Oblast (Russia)

E. A. ZvonokM. S. ArkhangelskiyI. G. Danilov

OriginalPaper | 11 June 2025 | Pages: 191 - 201

Discovery of Discosauriscid Seymouriamorphs (Tetrapoda) in the Middle Permian of Eastern Europe

V. V. Bulanov

OriginalPaper | 11 June 2025 | Pages: 202 - 214

A Loon (Aves, Gaviiformes) from the Upper Miocene of Mongolia

N. V. Zelenkov

OriginalPaper | 11 June 2025 | Pages: 215 - 220
