14 articles in this issue

Foreword

Events | 02 February 2026 | Pages: 827 - 829

The Ichnofossil Assemblage from the Tikhvinskoe Locality (Yaroslavl Region: Lower Triassic, Rybinskian Horizon) as Evidence of Paleoecosystem Organization

OriginalPaper | 02 February 2026 | Pages: 830 - 856

Late Devonian Ichnofossil Lagerstätte of the Eastern Anti-Atlas, Morocco

OriginalPaper | 02 February 2026 | Pages: 857 - 868

***Pulsocauda* igen. nov., a New Ichnotaxon from the Frasnian (Upper Devonian) of the East European Platform**

OriginalPaper | 02 February 2026 | Pages: 869 - 884

Boring Polychaeta—Indicators of Climate Change in the Late Holocene on Adak Island (Aleutian Islands)

OriginalPaper | 02 February 2026 | Pages: 885 - 891

First Evidence of Burrows of the Polychaete *Lepidenteron lewesiensis* (Mantell, 1822) from the Upper Cretaceous of the Upper Don Region

OriginalPaper | 02 February 2026 | Pages: 892 - 898

Epibionts on Shells of Early Famennian Brachiopods of the Khantagi River Basin (Central Kazakhstan)

OriginalPaper | 02 February 2026 | Pages: 899 - 905

Ventral Bite Marks (Ichnospecies *Bicrescomanducator rolli*): Lethal Injuries on the Shells of Jurassic Ammonites

OriginalPaper | 02 February 2026 | Pages: 906 - 927

New Larval Cases of Caddisflies (Insecta: Trichoptera) from the Albion of Western Siberia

OriginalPaper | 02 February 2026 | Pages: 928 - 933

Fish Ichnofossils from the Upper Cretaceous Deposits in the Valley of the Khosta River, Krasnodar Region, Russia

OriginalPaper | 02 February 2026 | Pages: 934 - 940

Discovery of Triassic Archosauromorph Tracks in Eastern Europe. 1. Swim Tracks of Early Archosaurs

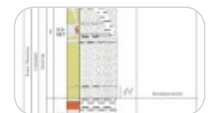

OriginalPaper | 02 February 2026 | Pages: 941 - 956

Paleosols, Floristic Paleosuccession, and a New Genus of Fossil Tetrapod Tracks from the Upper Permian of the North of European Russia

OriginalPaper | 02 February 2026 | Pages: 957 - 974

***Taenidium barretti* (Bradshaw, 1981) Ichnofossils from the Lower Triassic of Obshchy Syrt**

OriginalPaper | 02 February 2026 | Pages: 975 - 982

Coprolites of Late Miocene Seals of Eastern Paratethys (Crimean–Caucasian Region)

OriginalPaper | 02 February 2026 | Pages: 983 - 990
