# Need support with your English?

Elsevier Language Editing Services offer high-quality English language editing for researchers preparing articles for publication in international scientific and medical journals.

**Elsevier's editorial expertise and long history of publishing** peer-reviewed journals will ensure that the english language in your manuscript is clear and free of grammatical errors before you submit.

- ✓ Native english speakers from top universities
- ✓ Expert input from Ph.D.s or Ph.D. candidates matched to your field of study
- ✓ Your manuscript edited to professional scientific English (US or UK)
- ✓ Self-service website with easy article upload and retrieval
- ✓ Short turn-around time of 7 business days

## Translation Services

To ensure your research is as good in English, as it is in your own language, let our subject experts translate your work quickly, and to the highest standards.

Currently available for: *Chinese, Spanish, Portuguese and 12 more languages*

## Group Deals

Due to increasing demand from our research groups, University departments, and institutional customers we have established a collective buying programme, which enables you to purchase group deals and benefit from **reduced prices**.

Our group deals have helped our customers' budget to go further, reduced the submission to publication times and positively impacted their research output.
