Volume 52, Issue 1
February 2025

ISSN 1066-3693

17 articles in this issue

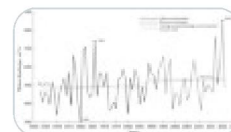

Hydrological Hazards at River Mouths: Terminology, Typification, and Geography

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

18 March 2025 | Pages: 1 - 17

Characteristics of Long-Term and Seasonal Runoff Variability at the Head of the Mouth Area of the Onega River

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

18 March 2025 | Pages: 18 - 32

Water and Ice Regime of the Pechora River Mouth under Current Hydroclimatic Conditions

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

18 March 2025 | Pages: 33 - 44

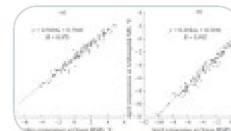

Modeling of Hydrodynamic Processes of the Estuaries of the European Part of the Russian Arctic under Possible Climate Changes

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

18 March 2025 | Pages: 45 - 57

Historical Overview of the Onega River Mouth Freezing and Break-up from the End of the 18th Century

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

Lithodynamic Aspects in the Development of the Black Sea Part of the Kuban River Delta Coastline in the Second Half of the Holocene

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

18 March 2025 | Pages: 72 - 80

Hydrological–Morphological Regionalization of the Pyasina River Mouth Area

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

18 March 2025 | Pages: 81 - 90

The Intrusion of Sea Water into the Don Delta during the Low-Water Period

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

18 March 2025 | Pages: 91 - 101

Bottom Intrusions of Brackish Water from the Vistula Lagoon into the Lower Pregolya Branch

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

18 March 2025 | Pages: 102 - 116

Seasonal Variations of Nutrient and Organic Carbon Concentrations in the Kamchatka and Avacha Rivers, Kamchatka Peninsula, in 2023

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

18 March 2025 | Pages: 117 - 128

Hydrochemical Characteristics of Waters of the Mouth Section of the Kolyma River in the Modern Period

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

Studying Hydrophysical Processes in Summer and Winter Periods in the Tidal Arctic Estuary of the Indiga River Using a Mathematical Model FESOM-C

HYDROLOGICAL–MORPHOLOGICAL AND HYDROLOGICAL–ECOLOGICAL PROCESSES IN RIVER MOUTH AREAS

18 March 2025 | Pages: 147 - 171

Flood Vulnerability Assessment in the Middle Brahmaputra River Basin, India: A Multitemporal Synthetic Aperture Radar Approach

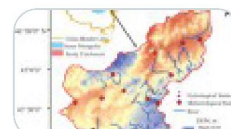

WATER RESOURCES AND THE REGIME OF WATER BODIES | 18 March 2025 | Pages: 172 - 182

Flow Modelling of Jakham River Reach Using HEC-RAS

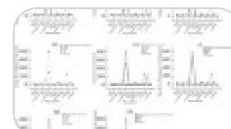

WATER RESOURCES AND THE REGIME OF WATER BODIES | 18 March 2025 | Pages: 183 - 194

Combined Influence of Solar Activity and ENSO on Hydrometeorological Elements in the Middle Eastern Inland River Basin of the Inner Mongolian Plateau, China

WATER RESOURCES AND THE REGIME OF WATER BODIES | 18 March 2025 | Pages: 195 - 204

An Investigation for River Water Quality via Linear Regression Analysis of Variance

HYDROCHEMISTRY, HYDROBIOLOGY: ENVIRONMENTAL ASPECTS | 18 March 2025 | Pages: 205 - 216

Dynamic Change Characteristics of Water Use and Water-Saving Paths of the Pearl River Delta, China

WATER RESOURCES DEVELOPMENT: ECONOMIC AND LEGAL ASPECTS | 18 March 2025 | Pages: 217 - 226
